F. No. IV (4)/7/2020/SYSW

Date: 30.03.2022

ADVISORY NO. 05 /SYS/WZU/2022

Sub: Integration of ECCS with IDPMS / EDPMS of RBI- reg.

1. This advisory is issued in continuance to earlier Advisory No. 05/SYS/WZU/2021 dated 20.07.2021, Advisory No. 06/SYS/WZU/2021 dated 26.07.2021 and Advisory No. 08/SYS/WZU/2021 dated 17.09.2021, issued on the above subject.
2. The integration of ECCS with IDPMS / EDPMS modules of RBI was launched on 27.01.2022. The data in respect of courier import / export, **with validated AD code** is being shared with ICEGATE for further transmission to RBI. As desired by RBI, the Courier Bills of Entry (CBEs) filed in ECCS, on and after 02.01.2022 have been uploaded over ICEGATE for further transmission to IDPMS of RBI.
3. After roll out of integration, some grievances have been received that, the CBEs are not reflecting in IDPMS of RBI. In such cases, it has been noticed that either AD Code is not entered or invalid AD code has been entered at the time of filing of CBE / CSB in ECCS.
4. **In view of the above, the Trade and the Authorised Couriers are advised to enter the valid AD code compulsorily while filing CBEs / CSBs in ECCS, to ensure seamless and hassle free transmission of data from ECCS to IDPMS/EDPMS modules of RBI through ICEGATE.**
5. All the exporters and importers should ensure that their correct AD code is registered on ICEGATE, before filing of their CBE / CSB in ECCS by their authorised courier. Further, the importer or exporter, whose AD code is already registered in ACC location, having same port code as that of ICT, are not required to get themselves separately registered.

This issues with the approval of Pr. Director General of Systems and Data Management, New Delhi.
